Academic Honesty Policy

Students with unresolved Academic Honesty Policy (AHP) issues are ineligible for transcripts until all AHP holds are cleared and StraighterLine has deemed them to be in good standing.

Retake Policy

If upon completion of a course a student has not achieved a satisfactory score (70% by default as per ACE), a student may retake this course by repurchasing and reattempting it in full. Students will wait a minimum of three (3) business days between attempts.

The highest final satisfactory score will be used for the transcript.

Proctoring

StraighterLine requires proctored final exams for all courses with the exception of English Composition courses, 1-credit lab courses and developmental courses. During proctoring sessions, student identification is authenticated and the student and work place are monitored during the entirety of the exam. Transcripts are not released if there were any discrepancies in this process.

ACE

ACE Credit has evaluated and recommended our courses. More than 2,000 colleges and universities consider ACE CREDIT recommendations in determining the applicability to their course and degree programs. Our students also report that they've connected with more than 400 colleges outside of our partner network that have recognized StraighterLine courses. That said, if you plan to complete your degree at a non-partner college, we strongly recommend that you understand the school's credit-transfer process before purchasing a StraighterLine course to make sure you won't have any problems.

Grading Scale

StraighterLine provides a letter and number grade for each course. Colleges have their own policies with respect to how and whether they'll post grades for transferred coursework. You should check with the college you plan to attend to determine its specific grade-posting policies. Your StraighterLine transcript will reflect the percentage score and corresponding grade as set forth to the right:

Below 60	F
----------	---

A grade of at least 70% is required for ACE CREDIT recommendation or credit recognition at most StraighterLine partner colleges. ACE transcripts reflect P/F (Pass/Fail) only.
